

MARCH 8, 2014  
A PUPPET SLAMWICH

Emily Shubert

Mystical jellyfish explore murky waters, dreams cast ominous shadows, and celebrity gossip call forth the rites of spring at our March Puppet Slamwich featuring Emily Schubert, Kevin Sherry, Lily Tomlinson, Niko Marvit-Suyemoto, and Anna R-G on the cranky! All to the rousing sounds of Baltimore's Barrage Band Orchestra.

Come on down to the coziest little puppet theater in town and show your love to these puppeteers!

ZELLA'S,  
the finest pizzeria in town, is just up the street at Hollins and Carrollton streets.  
Tell them the answer to this slam's puppet trivia question,

Who's green, has really cute big eyes, and had a hit song about how hard it is being green?

They'll have a secret  
surprise for you with your dinner if you can tell them the answer.  
Just make sure you give yourself enough time to enjoy their wonderful food before the show.

Saturday, March 8  
with shows at 7 and 9:30!

Tickets available at Brown Paper Tickets.  
OR  
at the door 30 min before each show!  
Seating is general admission and limited!  
And still \$7.00!

We are located in the SoWeBo neighborhood @
